Subject: Walpole High Plain Street Contractor Certification and Work Plan
Attachments: USEPA Work Plan Cover Letter - COMPLETE.PDF

Kim, Kate,

The Town has contracted with TMC Environmental of Franklin, MA to perform the excavation and off-site disposal of soils for this project. I've attached a certification letter and Contractor Work Plan prepared by TMC for this project, as requested in Paragraphs 11.a. and 11.b. of Attachment 1 to the SIP approval letter.

I will follow up shortly with a certification from the laboratory that will be providing analytical services for the project, as requested in Paragraph 11.c.

Please let me know if you have comments on the attached plan.

Thanks,
Steve

If not, are you able to send me an unsigned draft of the letter so that we can be sure we are prepared to start moving soil as quickly as possible once the approval is received? The Town has an MCP deadline they need to make, so they are anxious to proceed.

Thanks,
Steve

Kim,

Quick note to see if there happens to be a letter in your inbox this morning.

Thanks,
Steve
